

## The USA: The 50 states nicknames

1- Listen to the audio file and colour the American states mentioned on your map, draw balloons and write the names and nicknames of the states, as in the example

[www.MapOfUSA.org](http://www.MapOfUSA.org)

2- Fill in the grid with information from your seal cards and audio files

State Name	State Nickname	Summary
California	The Golden state	<i>GOLD – 1848 – GOLD RUSH - Gold was discovered in California in 1848 . The seal f the state of California shows a miner digging. He symbolizes the “ Gold Rush”, one of the most important events in American history, that’s why California is known as “The Golden State”.</i>
