

## Children's stories to fight against climate change

Listen to the story and fill in the form. Then , create an AI generated image for each part of the story

<b>Exposition:</b>
Describe the setting (time, place, environment).
Identify the main characters and their roles.
Write the prompt to create an AI-generated image that represents the story's exposition
<b>Conflict:</b>
Identify the primary conflicts related to climate change in the story.
Explain the challenges or obstacles faced by the characters or the world.
Write the prompt to create an AI-generated image that symbolizes the conflict.
<b>Rising Action:</b>
Describe the series of events that build tension and develop the storyline.
Explain how the rising action contributes to the development of the conflicts.
Write the prompt to create an AI-generated image that captures a key moment in the rising action

<b>Climax:</b>
Identify the most intense and critical point in the story.
Describe the emotions, turning points, or revelations experienced by the characters.
Explain the significance of this moment in the climate change narrative.
Write the prompt to create an AI-generated image that represents the climax.
<b>Falling Action:</b>
Describe the events that occur after the climax.
Explain how the falling action leads to the resolution of the conflicts.
Write the prompt to create an AI-generated image that reflects the falling action.
<b>Resolution:</b>
Explain how the conflicts related to climate change are addressed or resolved.
Reflect on whether the resolution is complete or if there are lingering issues.
Write the prompt to create an AI-generated image that represents the resolution.
