

Don't sell people, they are not merchandise !

Help migrants instead of destroying them !

Slavery is a crime against humanity.

Don't treat migrants like beasts, we are all human beings

Let's live in peace !

FIGHT AGAINST  
SLAVERY

The people who do that  
deserve to be punished.

We must behave like human beings,  
not like monsters !

Give them peace, protection,  
food, and a job.  
In a word, a better life !
