

## Louisiana, day 2 !

2ème jour gris et froid mais plein d'activités. Aujourd'hui les élèves ont échangé avec leurs correspondants une présentation de leur région respective.

Puis cours de littérature anglaise avant d'avoir une petite introduction au jazz dans le cours de M. Davis Rogan, musicien américain qui anime le cours de CM1 !

Puis départ pour la Whitney Plantation, la seule plantation aux Etats-Unis qui fait la part belle aux voix des esclaves !
