

SANDRINGHAM HOUSE

To: Mr F Sanchez and the Pupils in his Class at
College des Trois-Ilets

The Queen wishes me to thank you very much for your cards and the kind messages you have sent for Christmas and the New Year.

Following a year of special birthday celebrations for both Her Majesty and The Duke of Edinburgh, The Queen is most grateful for your thoughtfulness in writing as you did and hopes you, too, had a happy Christmas and peaceful New Year.
