AN UNHUMAN SITUATION

Migrants being sold as slaves/ Des migrants vendus comme esclaves

Thousands of African people think they are going to leave hunger, misery and war but finally they finish their trip in hell.

Des migrants qui pensent quitter la faim, la misère et la guerre mais ils se retrouvent dans l'enfer des ventes aux enchères.

They are put in cages to be sold on slave markets which take place twice a month.

When slaves are sold they are taken away to work for free for Libyans.

Migrants are gathered and deprived of their dignity

Migrants are at the mercy of human traffickers

During these auction sales, a slave costs between 200 and 500 euro

NO TO ANY FORM OF SLAVERY/ NON A L'ESCLAVAGE
