Dear Illustrator,

Congratulations! You have been selected to participate in a special mission as an illustrator for the publishing house "ComicsAI".

Your mission is to create 6 captivating panels for the upcoming comic-strip entitled " Act on CO2 ». This comic strip explores the challenges and solutions related to climate change, highlighting the role of humans.

Your main task will be to create 6 striking panels illustrating the 6 main parts of the story, from exposition to resolution. You will need to use your creativity to bring ideas to life while staying true to the content of the full text.

Here are some key points to keep in mind during your mission:

1. **Theme:** The comic strip addresses various aspects of climate change and offers innovative solutions to mitigate its impact. Your illustrations should reflect the complexity of these subjects while being accessible to a young audience.
2. **Emotions and Engagement:** Your illustrations should evoke emotions in readers and encourage them to reflect on the urgency of taking action on climate change. Ensure that your images are both informative and engaging.
3. **Style and Consistency:** Make sure your artistic style is consistent throughout the comic strip. The illustrations should blend with the text and reinforce its overall message.

Your mission is crucial as your illustrations will help make the comic-strip « Act on CO2» appealing and impactful to readers worldwide. We have full confidence in your artistic talent and ability to meet this challenge successfully.

We look forward to seeing your creations to inspire positive change.

To your creativity and imagination !

Best regards,

The Editorial Team of ComicsAI,

Note : all images are expected to be produced by AI
