

Dear Illustrator,

Congratulations! You have been selected to participate in a special mission as an illustrator for the publishing house "ImaginAI". Your mission is to create captivating illustrations for the upcoming book titled "Act on CO2". This book explores the challenges and solutions related to climate change, highlighting the role of human activity.

Your main task will be to create striking images that accompany the stories and concepts discussed in the book. You will need to use your creativity to bring ideas to life while staying true to the content of the text.

Here are some key points to keep in mind during your mission:

1. **Theme:** The book "Act on CO2" addresses various aspects of climate change and offers innovative solutions to mitigate its impact. Your illustrations should reflect the complexity of these subjects while being accessible to a young audience.
2. **Emotions and Engagement:** Your illustrations should evoke emotions in readers and encourage them to reflect on the urgency of taking action on climate change. Ensure that your images are both informative and engaging.
3. **Style and Consistency:** Make sure your artistic style is consistent throughout the book. The illustrations should blend with the text and reinforce its overall message.

Your mission is crucial as your illustrations will help make the book "Act on CO2" appealing and impactful to readers worldwide. We have full confidence in your artistic talent and ability to meet this challenge successfully.

We look forward to seeing your creations and incorporating them into the book to inspire positive change.

To your creativity and imagination !

Best regards,

The Editorial Team of ImaginAI

Note : all images are expected to be produced by our Ai tool
